Letter to Ed J. Merrem, Shiner.

Dear Sir: Why don't we make paint as many others do, to go three-quarters as far, or two-thirds, or half, or a third, or a quarter? Mr. Aaron Higgins, Plainfield, N. J., always used 15 gallons of paint for his house; Devoe took 11.

There are two sorts of paint: all paint, true paint, strong paint, false paint, weak paint, short-measure.

The paint manufacturers are two sorts: Devoe and the rest.

Yours truly,

F. W. Devoe & Co.

Mr. Lyons has had a lifetime experience in conducting sales and he knows his business. This great sale will run until Oct. 21st, unless closed out in the mean time.

X Rays in Shiner.

The Gazette editor made a test of the new x ray machine at Schulze & Gray's drug store on last Monday, and the way it created electric sparks and chain lightning was a caution. An electric shock from this machine would raise the dead. We took a look through our good right hand and found all the bones in perfect formation. Mr. C. C. Amaler who tested the machine for us, placed a bunch of keys between the lids of a heavy leather bound ledger and the rays penetrated both cover and leaves and gave a perfect view of the keys inside. This is truly a wonderful machine and is a great aid to the medical fraternity in discovering disease. The cost of the machine is in the neighborhood of \$600.00.

DRAGGING

down pains are a symptom of the most serious trouble which can attack a woman, viz: falling of the womb. With this, generally, come irregular, painful, scanty or profuse periods, wasteful, weakening drains, dreadful backache, headache, nervousness, dizziness, irritability, tired feeling, inability to walk, loss of appetite, color and beauty. The cure is

WINE OF CARDUI

THE FEMALE REGULATOR,

that marvelous, curative extract, or natural wine, of herbs, which exerts such a wonderful, strengthening influence on all female organs. Cardui relieves pain, regulates the menses, stops drains and stimulates the womb muscles to pull the womb up into place.

It is a sure and permanent cure for all female complaints.

In my womb and ovaries," writes Mrs. Naomi Baker, of Webster Groves, Mo. "also in my right and left sides, and my menses were very painful and irregular. Since taking Cardui, I feel like a new woman, and do not suffer as I did. It is the best medicine I ever had in my house."
